3. However, there were other aspects to TRUMP's engagement with the Russian authorities. One which had borne fruit for them was to exploit TRUMP's personal obsessions and sexual perversion in order to obtain suitable 'kompromat' (compromising material) on him. According to Source D, where s/he had been present, TRUMP's (perverted) conduct in Moscow included hiring the presidential suite of the Ritz Carlton Hotel, where he knew President and Mrs OBAMA (whom he hated) had stayed for their official trip to Russia, and defiling the bed where they had
2016’s Rogue One: “director Gareth Edwards [was] hesitant: “It’s a really difficult task [and] we haven’t got a plan B.” Thankfully, and after many, many takes, they got this scene right. But for this one scene, a whole lot of work went into it” (source).
Convincing media synthesis technology, together with centralized surveillance and control over the internet, stands to strengthen and empower authoritarian regimes, while being simultaneously corrosive to the foundations of freer and more democratic societies.
